Dear Paola,

I was so grateful to be part of this exhibition and I am happy you had such a wonderful time creating a beautiful display of our artworks. It would be great to collaborate with you again. You are truly one of a kind, having a so kind and genuine interest in our work and also in us artists. And I hope I will meet you one day.

Warm Regards,
Camilla Fransrud, edition 2023

Dear Paola,

I sincerely thank you for everything. I like the way you work out things (projects, ideas), your care for others, your very sensitive approach to each stage of this marvelous adventure that is "Little Treasures": your obvious skill and taste in the hanging, your communicative energy at the opening and throughout the exhibition, your solitary wanderings in the gallery after closing time, your bittersweet evocation of the unhooking. I definitely hope to have the chance to collaborate with you soon again. Thanks again, Paola.

Best regards,
Robert Bared, edition 2023

Oh Paola,

I am very grateful to have been part of “Little Treasures” again and feel very lucky to be working with you. I’m so glad there were so many interesting artists and such a captive audience. It’s a wonderful achievement for yourself and artists that your exhibitions bring so many people together.

Warm regards,
Kari Bienert, edition 2023 and previous years

Hello dear Paola,

“Little Treasures” looked so perfect again and it was such a top-class and great exhibition. Only your selection of artists and your perfect presentation and organization can make this exhibition of such a high standard! Thank you very much! We are so pleased with the TIA Excellence award, words cannot express how precious it is for us! We are very happy to be able to hold it in our hands and we are also looking at the catalog, which, like always, is brilliantly well designed.

Warm hugs,
Atelier Beiner&Beiner, edition 2023 and previous years
